№ 4855

To the
Jewish Immigrant's Information
Bureau.

Dear Comrades!

Galveston, Texas.

We are sending you herewith a copy of an article, which has appeared in the American newspaper, "Vorwärts". This article has been published in № 217 of "Der Freund" and in № 21 of the "Volkszeitung", two Jewish newspapers in jargon which enjoy great popularity among the Jewish masses ^{in Russia}. It has given rise to many commentaries, which might do much harm to our cause. We beg you therefore to ~~send~~ ^{tell} us, as quick as possible, the real state of things, so that we might be able to protest most strongly against those insinuations.

Yours truly

Sekretär J. Jochelmann
