Our National President promises us a "working Convention." We, in Cincinnati, promise hospitality, congeniality, and in the tradition of Love and Faith, a memorable Migratory Convention.

We can reflect with pleasure on our 89 years of service, but "THE FUTURE IS NOW" and we must always look forward with the hope and desire of continued service to mankind.

Plans are complete and we are anxiously awaiting your arrival.

With Sisterly Greetings,

Yours in Love and Faith,

Janet Abrams
